

Volunteer Application Form

About the Volunteer Programme

Our volunteer programme is an opportunity for those embarking on a career in the arts to have first-hand experience working with an artists company.

Blast Theory is a small team of 7 people who work closely with each other to deliver a wide range of projects in a fast paced environment.

Our programme gives volunteers the opportunity to work in some of the following areas:

- Production and touring
- Filming and editing
- Archiving
- Creative development
- Testing and preparing equipment
- Administration
- Marketing and publicity
- Events

All volunteers will receive a daily stipend of £20 to cover expenses. Past volunteers have received grants from external sources and we are happy to support this process.

The working hours are Monday – Friday, 10am - 6pm, working at our studio in Portslade, Brighton. During busy touring periods travel nationally and internationally may be required but further expenses will be covered.

One, two or three month long volunteer slots are available January – June 2016. Please see below for application details.
